## Class Descriptions:

---

### **Open Knit and Crochet**

Every Fri. at 11am. FREE.

### **Block of the Month**

First Thurs. of the month at 5:30pm.

### **Saturday Knit Fever**

Feb. 16 from 7-10pm. FREE.

Join us for an evening of knitting and crocheting, snacks to share, and awesome prizes! Don't forget to bring your unwanted yarn for the yarn swap.

---

## *Sewing*

### **Aprons**

Learn to sew a sweet and simple apron in this class. If time allows, you can add pockets and a ruffled edge.

### **Log Cabin Quilt in a Day**

Using the "Quilt in a Day" method, you will learn to assemble a quilt top in one day (the second class.) Class #1 is mandatory. We will go over the information you will need to get your materials picked out and ready. Class #2 is all afternoon. You will assemble the quilt top step by step with our help and you should leave with the top completely pieced. If time allows, we will help you "layer" the quilt with the batting and backing, making it ready for quilting.

### **Beginning Quilting**

Learn to make a small 9 patch wall quilt and get on your way to bigger projects. You can bring your own sewing machine or just use ours. Children ages 8 and older are welcome.

### **Reversible Wrap Skirt**

One Day Workshop. Sat. Feb. 2 from 11-3pm.

This incredible class teaches you how to sew an awesome reversible wrap skirt to your body's specifications. You can use our sewing machine or bring your own.

---

---

## Crochet

### **Crochet and Granny Squares**

It's easy to get started and there are so many other things you can make. If you already know how to crochet, we can teach you two different styles of granny squares.

---

## Knitting

### **Basic Knitting**

This beginner's class teaches you the basics of knitting and is available on a drop in basis. Stop by any Tuesday at 3pm and we'll get you on your way. Just need a refresher—that's fine! We can start where you left off.

### **Baby Sweater**

This is a class for the beginner who knows how to knit, purl, cast on, and bind off. It is perfect for anyone who has never read a pattern before. This class will teach you how to read and follow patterns and instructions as well as seaming your knit pieces.

### **Socks**

Learn to make your first pair of thick warm socks and become confident in your heel turning. You will need to know how to knit and purl for this class.

### **Adult Sweater**

This is a great class to take if you want to make a sweater for yourself or as a gift. We have two patterns to choose from, one with a hoodie and one without.

### **Dishcloths and Diagonal Baby Blankets**

Using basic yarn overs, decreases and increases, you will learn how to make a useful dishcloth or beautiful baby blanket. Once you see how easy it is, you will want to make several!

### **Lace Knitting**

Lace is a great way to show off yarn. The open, airy look is amazing and beautiful to look at. In this class you will learn a beginner's lace pattern that will let you explore the beauty of lace knitting without getting overwhelmed. Basic knitting knowledge required.

### **Fingerless Gloves**

You can learn to make these stylish gloves that leave your fingers free in almost no time at all! You can knit them flat or in the round.
